STATEMENT OF FCC CHAIRMAN MICHAEL POWELL ON DO NOT CALL LIST COURT DECISION

Congress, the FCC and the FTC have all been in agreement about the need to give consumers the opportunity to choose to prevent intrusions from unwanted telemarketing telephone calls. The do-not-call list is an appropriate mechanism to accomplish this task.

Despite today's court decision, we will work closely with the FTC and Congress to ensure that the do-not-call registry becomes a reality and American consumers can control the calls that come into their homes.
